It was agreed that the Council would undertake a survey to establish residents views on the peacocks before any further action was taken which may involve removal of the birds from Brookenby.

A resident raised concerns regarding fencing near the children's play area which would be investigated.

A resident raised various questions on behalf of another resident not present regarding the Community Centre. The Clerk confirmed that these questions had already been answered directly to the resident and reiterated the answers.

A resident raised concerns regarding the building site on Lancaster Road with a lack of work and dangerous condition. This matter should be referred to WLDC Planning Enforcement.

A resident asked why the accounting information was not published. The Clerk confirmed that this was not a requirement as the Council were outside the Transparency Code.
