equipment is available if the Parish Council's playpark reserve funds are  
used, and resolve on any action to be taken.**

Cllr Sumnall updated the meeting on the progress that had been made towards the new Playpark. She explained that there was the opportunity to reinstate a roundabout and a "trim trail" to the project if the Council would agree to the use of some of the funds in the Council's "Playpark Reserve".

10 different options, at varying costs, were given to Councillors should they wish to reinstate the roundabout and trim trail.

Cllr Coulam proposed that "Option 4" be adopted. This would obtain additional equipment to a value of £19,425 for expenditure from the Parish Council's playpark reserve funds of approximately £3,200. Seconded by Cllr Turnbull. All in favour.

A proposal from Cllr Preece that the new hedge to the south of the play area should be dispensed with was not seconded, and so failed.
