Clerk's Report

- Ref 4044 Community Centre**

The Clerk reported this item had been effectively replaced by the Community Centre Committee.

- Ref 4045 Correspondence**

The Clerk reported that he:

- Had received Correspondence regarding a Northern Powergrid application WL/2026/00005 for installation of a new H double pole at East Road, Brookenby Business Park.
- Had received correspondence from the Council's insurers confirming that an insurance claim against the Council, which the council disputed, had been discontinued by the claimant.

BROOKENBY

Parish Council

- Had received correspondence from the district Police Inspector, outlining staff transfers and deployments from the superbeat area covering Brookenby to higher priority police operational responsibilities.
While the Council understood and sympathised with these challenges, they still felt that the policing of Brookenby would suffer as a result. Because this was an issue impacting beyond the Parish, Cllr T. Smith (WLDC) volunteered to look into the matter with the involvement of the local MP.
- Had received notification of a temporary traffic regulation order for electricity supply maintenance at Chichester Road between 19/01/26 and 27/01/26.
- Had received correspondence from an individual enquiring about a piece of land for Bootcamp style outdoor exercise sessions.
Councillors were generally supportive of the initiative but what land the correspondent referred to was unclear and may, or may not, be council owned. The Clerk would verify which land was involved.

Ref 4046 To discuss matters relating to the play park and resolve on any action to be taken

The Clerk stated that a replacement Nest Swing had arrived but the issue of installation of the replacement had not been resolved by the supplier of the original defective equipment. It was decided, for safety and warranty reasons, that the council would not install it on a DIY basis. It was agreed that if APL, the suppliers, did not resolve the issue, the Council would contract the company who supplied the original, wider, play park construction package to complete the installation and take measures to recover their costs from APL.

The original playpark "No Dogs" sign could not be re-used so it was agreed that the Caretaker would install the second sign on a robust post which would be secured with concrete.

Proposed: Cllr S Coulam, Seconded: Cllr. S Sumnall

Ref 4047 To resolve to move into closed session in accordance with the Public Bodies (Admission to Meetings) Act 1960 due to the confidential nature of the following business to be transacted.

Proposed: Cllr S Sumnall, Seconded Cllr N Tracey. All in favour

Open Meeting concluded 1930 hrs

Ref 4048 To discuss the project to refurbish the Community Centre Ground Floor Toilets and associated funding.

The Council was not in a position to agree contractors or prices

Ref 4049 To discuss the post and duties of the Parish Clerk and Responsible Financial Officer and resolve on any action to be taken.

The Chair agreed to speak the Clerk to attempt to ensure business continuity.
